### **Griesing Law Founder Recipient of Women's Award**

**Philadelphia Pa. August 7, 2012. Griesing Law, LLC** is pleased to announce that its Founder and Managing Member, **Francine Friedman Griesing**, was one of twenty-five recipients of SmartCEO's 2012 Brava! Awards. The Brava! awards celebrates Philadelphia-area women business leaders who combine their irrepressible entrepreneurial spirit with a passion for giving back to the community, who have become exemplary leaders in their companies and the community at large by encouraging local philanthropy, mentoring and setting their companies on the path to tremendous growth.

Griesing said, "I am delighted to be recognized alongside these 24 accomplished women. Although women have made great professional strides over the past 31 years that I have been practicing law, women still face hurdles advancing in their careers. As a woman business owner, I believe it is my responsibility to open doors and create opportunities for other aspiring professional women."
